

Blueprint (fabric)

Lucie Černá

Střední škola designu a
řemesel Kladno

What is blueprint?

- Traditional technique of textile
- You may know blueprint like this:
- printing and the fabric made by the technique

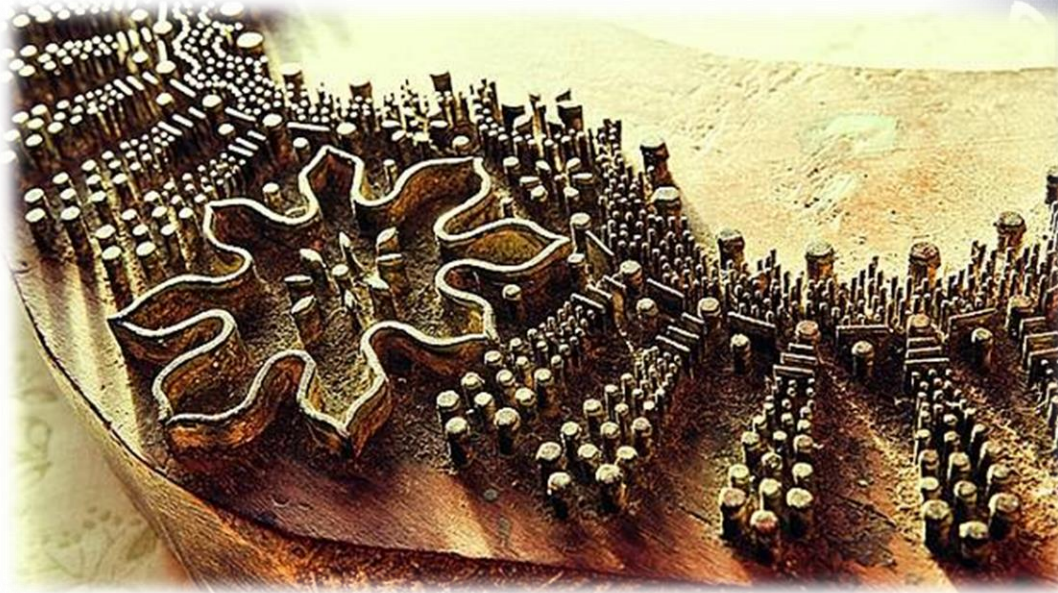

How is Blueprint made?

- Negative print - reserve on white places and dye blue with indigo, remove reserve
- Traditionally made with wooden forms

Wooden forms

- Wooden desks with the patterns
- Cut out or with metal wires or sheets

Reserve

- liquid mix, for white places
- Ingredients are well-kept secret
- Print with forms or hand-painted

Indigo

- Natural coloring
- Any intensity of blue
- Wash after dying

Blueprint now

The Danzinger's family (Olešnice)

- Traditional way of blueprint
- Original hand-made forms

The Joch's family (Strážnice)
